

THE MOUNT VINEYARD WINE

The Mount has been producing wines since 2008
and started welcoming guests in 2016.

The unique micro-climate of the Darent Valley produces
vintages that will tell you a story that you cannot find
anywhere else. Just a stone's throw from London.

Although evidence suggests wine was produced in the valley
during Roman times, the first vines that were introduced to
The Mount was when 13,000 vines were planted in 2004.
There were seven different varieties planted across the estate;

Pinot Noir, Rondo, Regent, Bacchus,

Seyval Blanc, Phoenix and Siegerrebe.

In 2011, Simon Greenwood bought the property
and promptly added two acres of Chardonnay taking
The Mount to 8 grape varieties and 10 acres of vines.

We welcome you to discover The Mount Vineyard.
